Specs to Order:

- Paper Stock: Matte
- Corners: Standard

How to Order:

1. Download the file for your brand's referral card from the BBNA Branding Site (make sure to download both the FRONT and BACK files)
2. Follow the above link to the product page, making sure to choose the correct one for the country you are based in
3. Select the product specs (pictured)
4. Select "Upload your design"
5. Select "Upload from this device" and choose the file named FRONT
6. Select "Fill" so the business card extends to all sides
7. Select "Back" and repeat the same process for the back of the referral card, using the file named BACK. Make sure to select "Fill" so the business card extends to all sides.
8. Once the files are uploaded, click "Next" to add the order to your cart and checkout.
